c.o.m. (customer's own material)

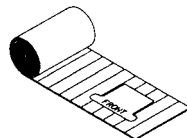

All seating can be upholstered with appropriate material furnished by the customer.

All prices are listed under Grade 2.

Yardage requirements shown are based on the use of non-directional fabric 54" wide and the fabric being cut "up the roll." If the c.o.m. fabric is to be railroaded, please contact Customer Service for revised yardage requirements. Inwood reserves the right to inspect, approve or reject any c.o.m. fabric. Once approved, Inwood cannot assume responsibility or liability for the durability, tailoring, appearance, or other qualities of customer furnished coverings.
